LOUISVILLE PRESBYTERY

In Session In Cloverport This
Week For Three Days'
Meeting.

The Spring meeting of the Louisville Presbytery of the Northern Presbyterian churches is in session in this city. The meeting began last night and will continue until Thursday night. Each church in the district is represented and the most prominent representatives of the Presbytery are in attendance, among them some of the ablest ministers in the State.

The meeting was opened last night with a sermon by the Moderator, Rev. Edward L. Warren, D. D. The organization of the meeting then followed. The evening's program was finished with a report from the committee on arrangements. Throughout the two days remaining the program, which appears elsewhere in this issue, promises a most interesting session and no part of it should be missed by those who are able to attend.

One of the most interesting features of the session will be the illustrated lecture this evening at the Presbyterian church by Dr. Peyton H. Hoge, pastor of the Warren Memorial church, Louisville, on mission work in China. The Presbyterian denomination of this city has found little difficulty in providing accommodations for the visiting delegates, as members of other churches have been very kind in extending assistance to them in this matter.

Popham--O'Bryan.

Dr. A. E. Popham, of Uniontown, and Miss Mary O'Bryan, of Moolyville, were married on Monday of last week at St. Theresa Catholic church, Plant Island, Meade county, the Rev. Father Roux officiating. The groom is a son of Mr. M. F. Popham, of this city, and is well known here.

Hawesville Merchants Organize.

The merchants of Hawesville have organized a Commercial Local of the American Society of Equity. Following is a list of members: W. S. Thomas, Lester Wilson, T. H. Davies, Geo. C. Wilson, W. H. Williams, W. T. Hardin, J. B. Fritz, R. Heibach, S. Rosenblatt, W. C. Kelly, G. O. Patterson, Mrs. Frank Carter, Mrs. M. A. Whitworth, Geo. Wilson and F. Herzog. An effort will soon be made to organize the merchants of this town.

Change in Firm.

Mrs. R. T. Polk has purchased Miss Lydia Frank's interest in the millinery store of Polk & Frank, in this city, and the firm name will now be Mrs. R. T. Polk. Miss Frank will return to her home in Indiana to recuperate from the ill effects of the close confinement in the store.

SMITH--FISHER.

Young Bank Cashier at Glendene
Weds Daughter of Prominent
Family.

The marriage of Mr. Arthur E. Smith, cashier of the bank of Glendene, and Miss Lizzie Fisher, daughter of Mr. and Mrs. Charles Fisher, of Glendene, was solemnized in Louisville on last Thursday, April 11. Rev. Rogers, pastor of the Baptist church at Glendene, performed the ceremony.

The young couple are members of prominent families and stand high in social circles.

Mr. Smith is one of the leading young business men of the county and the responsible position he now holds is an evidence of the confidence the public has in his business ability. He is the son of Mr. John Smith, president of the bank at Fordville.

Miss Fisher is a cultured and refined young lady, pretty and very popular wherever she is known. She is a niece of Mr. A. R. Fisher and Mrs. J. T. Lewis of this place.

The funeral services of Mr. Harvey Bush, who died on Tuesday of last week, were held at Hawesville Thursday, conducted by the Knights of Pythias of that place assisted by the members of the same order of this city, who were: Chas. May, S. P. Conrad, Marion Weatherholt, W. C. Sexton Emell Nolte, J. M. Gregory, R. T. Polk and the Rev. J. T. Lewis.

MATTINGLY--AGNEW.

Rev. Currie Officiates at Wedding
of Cloverport Young Couple
Sunday Morning.

Mr. Emmett Mattingly and Miss Grace Agnew were married at the home of the bride's father, Mr. Gardner Agnew, on Sunday morning, at 9 o'clock, Rev. B. M. Currie saying the ceremony.

The young couple left for Louisville and points in Indiana and will return to Cloverport to-day to take up their permanent residence. Both are popular young people of the city. Mr. Mattingly is connected with the local exchange of the Cumberland Telephone Co. He is the son of Mr. O. B. Mattingly, of this city.

Three Nice Animals.

Mr. Theodore Popham, of the livery firm of Popham & Perkins, of this city, was in Louisville the latter part of last week and purchased three good horses. The animals are far above the average and Mr. Popham paid a fancy price for them. He has since sold one to his father, M. F. Popham, for figures close to the \$200 mark.

Recovering From Painful Injury.

Will Pate, who recently suffered a severe scald on his foot at the Cloverport Foundry is improving rapidly and able to be at work.

JACK FRO'S AND INSECTS

Vie In Doing Damage To Young
Tobacco Plants in the Coun-
ty. Farmers Say.

Bugs and froat have played havoc with the tobacco plants throughout the county, and in many instances farmers are plowing up the beds and replanting. Some farmers claim that the biggest damage has resulted from small insects killing the tender plants. The cold, dry weather is responsible for the injury from the insects, the planters say. Other farmers are of the opinion that the killing frosts have done the most damage to the plants.

While the opinion is general among the tobacco growers that the recent freak of weather has worked hardships and loss upon them, they vary in estimating the extent of the injury. Some of them say the loss is only trivial and will let their plant beds stand for what they are worth.

REVIVAL MEETINGS COME TO CLOSE

Two Weeks' Meeting at Metho-
dist Church Fruitful of
Much Good.

Sunday night marked the close of a most successful two weeks' revival meeting at the Methodist church. Rev. F. M. Thomas, of Owensboro, delivered some excellent sermons. He is an earnest as well as able divine and the good resulting from his work in the town and community will continue to manifest itself in a long time to come.

The visible results of the meeting were eighteen additions to the church—sixteen by conversion and two by letter.

In celebration of our first anniversary we're offering some powerfully big inducements to the trade for a few days. Some of the prices are named in this advertisement and we want you to take notice of them.

THE STATE NEWS IN A NUTSHELL

Here Are Found Accurately Detailed
the Happenings of the Largest Im-
port Which Are Attracting Atten-
tion Throughout Kentucky.

Lexington, Ky., April 12.—Sult has
been filed at Jackson, Breathitt coun-
ty, by the heirs of Dr. W. B. Cox de-
manding \$50,000 damages from Judge
James Hargis, Ed. Callahan, Ashbury
Spicer, John Smith and John Aher for
alleged responsibility for the as-
sassination of Dr. Cox. The Bill Brit-
ton feud murder trial was opened here
yesterday.

Murder Trial Continued.
Lexington, Ky., April 11.—A
special from Breathitt says that the
case against B. F. French, John
Smith and John Aher, charged with
the assassination of James B. Marcus,
were continued until a special term
in August, on motion of the defense.
Both sides wanted the postponement
because of the trial of Bill Britton
here on charge of assassination of
James Coker. The witnesses being
practically the same in both cases.

The Hargis Case.
Lexington, Ky., April 6.—It is an-
nounced that Commonwealth's At-
torney James P. Adams and Prosecutor
B. R. Jossell will go before the Ken-
tucky court of appeals at once and
ask that the case against Judge James
Hargis, whose trial on a charge of
murdering Dr. B. B. Cox has been set
for Sandy Hook, Elliott county, be re-
manded to Breathitt county for trial.

BITTER RATE WAR
To Beat Its Rival This Road Hauls
Grain Free.

Omaha, Neb., April 11.—As an offset
to the raise in grain rates by the
Union Pacific between Omaha and
Council Bluffs, the Chicago Great
Western railroad has begun hauling
grain free from Council Bluffs into
Omaha, when destined to elevators on
the tracks of the Chicago Great West-
ern, and charging only \$2 per car
when destined to elevators on other
tracks. The Union Pacific charges
\$5 per car for the same service, and
the Interstate Commerce commission
last week declared the Union Pacific
had the right to raise the rate for that
service to its present charges.

Noted Brood Mare Dead.
Lexington, Ky., April 12.—Panama,
one of the most noted brood mares in

Fell's Elmhurst farm while foaling a
colt by Director General. Panama

dam of Helix, 2, three-year-old Futu-
rity winner. Kentucky Todd, the two-

elder Montgomery was carrying a keg
of blasting powder when a spark from
his miner's lamp fell in it and the ex-
plosion followed. The men were badly
mangled.

Henry Clay's Grandson Dead.
Lexington, Ky., April 10.—Thomas
H. Clay, a grandson of Henry Clay,
and a well-known Kentuckian, is
dead at his home here. Mr. Clay was
65 years old, and for many years was
one of the editors of the Youth's Com-
panion, in Boston. He had devoted
much of his time in late years to
writing, and had nearly completed a
biography of his grandfather.

Wanted to See His Mother.
Columbus, O., April 9.—The desire
to see his mother was responsible for
the capture of Edward Lovener, who
deserted nine years ago from the sev-
enty-fourth United States infantry when
that regiment was stationed at San
Fernando, Philippines. Lovener was
taken into custody a few minutes after
he left the home of his mother in this
city early today.

Charged With Conspiracy.
Columbus, O., April 9.—Michael Tand-
lich, a restaurant proprietor, and
Stanley Bagg, a private detective, were
arrested on \$5,000 bail each for
further examination, charged with
conspiracy in connection with prob-
able cases and attempting to bribe
government officers.

Only One Dissenting Vote.
Lexington, Ky., April 6.—With only
one dissenting vote, that of Scott
county, it was decided at the meet-
ing of the Union Confederate society of
Kentucky here to retain an organiza-
tion instead of dissolving, as has
been suggested.

Panama, April 8.—Before leaving
the lighthouse, Secretary Taft issued an

FOR A DEEP WATERWAY

Governor Deenen Recommends Legis-
lation on Message.

Springfield, Ill., April 12.—Governor
Deenen sent to the senate and the
house the report of the internal im-
provement commission appointed by
him two years ago to investigate and
report upon the possibilities of a
deep waterway between the lakes and
the gulf. According to the report, a
channel containing eighteen feet of
water is entirely feasible from Chicago
to St. Louis.

Governor Deenen recommends that
legislation be enacted conferring upon
the canal commissioners, the power
necessary for the development and
use of the immense water power
made possible by the large flow of
water proposed between Lockport and
Tipton, and also legislation to provide
for the enlargement of the corporate
powers of the sanitary district of
Chicago and to authorize the sanitary
commissioners to acquire the rights
of the canal commissioners in the
waterway and other property of the
Illinois and Michigan canal. The Gov-
ernor also recommends in aid of the
waterway that the state go legisla-

that part of the revenue obtained
from the sale of water power shall
be made to contribute to its con-
struction.

BOXING IN ILLINOIS

Bill to Be Presented Before the Legis-
lature.

Chicago, April 12.—The announce-
ment that a bill will be presented be-
fore the legislature favorable to box-
ing caused a stir among the followers
of the game. They did not take
kindly to the "no decision" idea, but
thought half a loaf better than
nothing.

Should the bill pass it will place
the game on the same lines as at
Philadelphia, where it has been run
with success for a number of years.
It will take away the obnoxious hot-
ting angle, and will make it much
easier for ring officials. Knockouts,
of course, will decide themselves.

EXCITEMENT AT JERUSALEM

The Sultan Deposes Chief Rabbi of
Ancient City.

London, April 12.—The Jewish
World says that Jacob Meier, the chief
rabbi at Jerusalem, has been deposed
and that Eliahu Pantel has been ap-
pointed to succeed him by the sultan.
The reason for the deposition of Meier
is that he was supported by the re-
formers at Jerusalem and consequently
his election offended the extreme or-
thodox sections. The new chief rabbi
was escorted into Jerusalem by sol-
diers and police. The occurrence has
caused great excitement in Jerusalem
and throughout Palestine.

about to leave this world, on ac-
count of indigestion, nervousness and
general debility," writes A. A. Chis-
holm, Treadwell, N. Y., "and when I
looked as if there was no hope left, I
was persuaded to try Electric Bitters,
and I rejoice to say that they are cur-
ing me. I am now doing business again
as of old, and am still gaining daily."

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discharges and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold in druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail simply by sending a note. Some of Swamp-Root tell us, also pamphlet telling all about it, including many of the thousands of testimonies of men and women who have been cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake! Remember that, name Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. 608 every bottle.

Young Guatemalan's Bloody Deed.

Mexico City, April 5.—Ex-President Jose Lizandro Harrillas of Guatemala was assassinated in this city last night at 8 o'clock by a young Guatemalan named Cabria, nineteen years old. Ex-President Harrillas was generally considered as strongly opposed to the present government of Guatemala. He was fifty-two years old and was a strong possibility for the next presidency of the country.

A DECISIVE OPINION

Illinois Attorney General Holds That There is Plenty of Law to Reach Harriman.

SOME VERY PLAIN SPEAKING

Harriman and His Crowd Reflected to as Wreckers Who Have Garnered a Harvest of Millions at the Expense of Defenseless Alton Stockholders.

Washington, April 10.—According to a decision reached by the Interstate commerce commission, E. H. Harriman will be made to appear in a United States circuit court in the state of New York in answer to proceedings to be instituted to compel him to answer certain questions which he refused to answer when he was on the stand at the recent hearing by the commission in New York.

Springfield, Ill., April 8.—That Governor Deneen is planning to second efforts of President Roosevelt in investigating the manipulation of railroads by E. H. Harriman and other railroad managers, is evidenced in an opinion handed to Governor Deneen by Attorney General Stead. The opinion treats of the manipulations of the Chicago & Alton property within the last few years by Harriman and some of his financial associates, including G. J. Gould, James Stillman and Mortimer L. Schiff. It is given in response to a request communicated from Governor Deneen March 22 last (soon after the return of Governor Deneen and Attorney General Stead from a conference with President Roosevelt at Washington) in which the attorney general is asked to advise what his conclusions are in the matter and what action, if any, is contemplated by the legal department of the state.

After setting out at some length the various manipulations to which the railroad corporations and properties forming the Alton system were subjected, Attorney General Stead concludes there is not the least doubt that a civil remedy exists against the "financiers who have wrecked this prosperous railroad company, and at the expense of innocent stockholders and bondholders, have gathered to themselves a harvest of millions of dollars."

Mr. Stead is doubtful, however, whether it is the province of the state of Illinois to enforce the remedy. The revocation of the company's charter which apparently would be the natural procedure on the part of the state, would bring most of the suffering upon innocent stockholders, Harriman and his Wall street friends having already unloaded a large part of their holdings. Mr. Stead inclines to the belief that the remedy lies with the company itself, or in the event of its refusal to act, with some one or more of its stockholders. This conclusion, however, is not final, for the attorney general specifically states that if he should become satisfied upon further investigation that an effective remedy can be enforced by the state, he shall not hesitate to institute proceedings. No opinion is expressed as to whether the members of the Harriman syndicate are criminally liable under the statutes of Illinois.

St. Louis, April 10.—The answer of the Standard Oil Company of New Jersey, John D. Rockefeller, Henry H. Rogers and other individual defendants and about forty of the defendant corporations to the government's ouster suit was filed late yesterday afternoon in the United States circuit court for the eastern division of the eastern district of Missouri. As yet Denning B. Smith, foreman of the jury, has not complained to the court that the jurors are unable to reach a decision, and until he does so it is not likely that Justice Fitzgerald will discharge them.

BACKACHE AND DESPONDENCY

Are both symptoms of organic derangement, and nature's warning to women of a trouble which will sooner or later declare itself.

How often do we hear women say, "It seems as though my back would break." Yet they continue to drag along and suffer with aches in the small of the back, pain low down in the side, dragging sensations, nervousness and no ambition.

They do not realize that the back is the main spring of woman's organism and quickly indicates by acting a diseased condition of the female organs or kidneys, and that aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound

Made from native roots and herbs has been for many years the most successful remedy in such cases. No other medicine has such a record of cures of feminine life.

All friends of the Institution will receive a cordial welcome to these musical, literary and religious exercises. I feel peculiarly interested in having a large attendance from this and adjoining counties, as they will be most largely benefited by this Institution of learning.

Provisions will be made for the entertainment of our friends.

A Live Wire

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock—pain it is called. Aches and pains come from a pressure, strain or injury to a nerve; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called

Neuralgia

whether it be the facial nerves, or the heart, stomach, sciatic or other prominent nerve branch. To stop pain, then, you must relieve the strain or pressure upon the nerves. Dr. Miles' Anti-Pain Pills do this.

"I suffered intense pain, caused by neuralgia. I doctored all kinds of medicine without getting relief until I bought a box of Dr. Miles' Anti-Pain Pills. They did me more good than all the other pills I ever used. They relieved my neuralgia, headache, and the pain in my legs and feet. I feel better now than I have for many months."—MRS. W. A. H. MONT ROSE.

MONT ROSE is a beautiful chestnut sorrel stallion, 15 3-4 hands high, full made, fine style and perfect action. Absolutely the purest gaited, biggest gaited and straightest gaited combined horse in this part of Kentucky. He is a most elegant and perfect breeder. His products are of fine size and great action, what it takes to make an all round horse, and for color, form and finish are hard to equal. After a careful study of our county and its needs we present to you in our opinion the best combined saddle and harness stallion that this country affords. We have watched with great interest the development of Mont Rose's colts for the past four years and they have, to our satisfaction, proven wonders. They are show horses, business horses and farm horses, so you will make no mistake to breed your mares to this horse.

MONT Rose was sired by Darling Denmark; he by Happy Cross. First dam, Fannie C., by Cromwell. Second dam by old Cabell's Lexington.

MONT ROSE will make this season at the farm of R. G. Robertson, Glendean, Ky., for \$15 to insure a living colt. All possible care will be taken to prevent accidents or escapes, but not responsible should any occur.

At the Breckenridge Fair, at Hardinsburg, 1908, we will give a premium of \$25 to the best one of Mont Rose's colts; \$15 for the second and \$10 for the third, and will give \$100 for the first premium colt. All colts to be broken and shown by halter. We solicit your patronage.

C. Vic Robertson and C. L. Beard,
Owners.
